HSGC is your local Humane Society that is a donation funded-only society and receives *no* government support. We are limited admissions, adoption-guaranteed facility dedicated to placing every dog and cat in our care into loving homes, and to promoting responsible pet ownership and spay/neuter programs. Every pet admitted to our facility is free from the threat of euthanasia for as long as it takes to find them a "forever home." With your support, we are helping to create a better community for all.

If you would like to make more than one donation, please use a separate form for each recipient gift.
